

Seeking interested photographers

The Yukon First Nation Education Directorate (YFNED) is interested in hearing from photographers who are available for summer contract work with us in Whitehorse and the surrounding area.

About the opportunity

We are seeking individuals who are available for a contracted opportunity. You will have higher learning in photography (e.g. post-secondary certificate level or equivalent) and you must have your own equipment.

We anticipate the need for a photographer for up to 12 pre-scheduled events throughout the summer; the majority occur during the weekday, however there is potential for occasional weekend work. Evening work is unlikely.

Each event is expected to have 1 to 2 hours of photography, with equal time committed for processing. No less than 20 images would be expected from each event, and turn around time is 24 hours.

All images will belong to, and be the property of YFNED.

If this opportunity interests you, please submit your submission inclusive of: letter of interest including availability, expected hourly rate of pay, a portfolio, and references.

YFNED's Indigenous preference policy will apply. If you are Indigenous, please self-identify
